### Written Testimony

This is to SUPPORT BILL 20. Thank you for your efforts to allow Honolulu homeowners to provide residential rentals in their residential properties. These residential rental rights have been taken away by City Council so as to deny short-stay residential rentals to visitors. This has not been successful. The Honolulu City Council has taken residential rentals from all of Honolulu in an effort to keep visitors out of residential rentals. The net result has been the worst rental housing shortage in the nation. Some neighborhood boards and individuals will say that tourism causes homelessness. Don't believe it. City & County zoning ordinances have resulted in the worst rental-housing shortage in the U.S.A. Mahalo for supporting Bill 20. Thank you for doing your part to allow Honolulu residents to take care of each other.
